## EL PASO HUMANE SOCIETY TO BE REORGANIZED AND STRENGTHENED

### Plans Outlined and Working Committee Named at the Meeting Tuesday Night.

Humane activities in El Paso are to be reorganized and the scope of the local association broadened. This is the result of a meeting which was held at the First Christian church Tuesday evening. The local Humane society has been working independently of any state or national organization. This will be changed under the new scheme of organization and the El Paso association will be a part of the state organization, which in turn is affiliated with the national association.

A meeting was held Wednesday afternoon at 4 o'clock at the First Christian church, at which the newly appointed directors and advisory board considered plans for the reorganization of the local society for a broader work in this field.

Mrs. Olive Hall-Butler, secretary general of the Texas Humane association, presided at the meeting and gave a general talk on the work of the association in the prevention of cruelty to children and animals. She outlined the legislative program which is to be carried out at the next meeting of the legislature. Mrs. Butler said that the new humane bill passed both houses of the legislature and needed only the signature of the governor to make it a law. She outlined some of the work the organization has already done and detailed plans for the broader work in the future. This included a paid officer for El Paso throughout the year, humane education in the city schools and a 24-hour relief work for the benefit of suffering humanity and animals.

### Papes Diapepsin Ends Indigestion

**Time It! No sour, gassy stomach or Dyspepsia in five minutes.**

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach troubles has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and causes gas, causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

## Little Bobbie's Pa

By WILLIAM F. KIRK.

THE Proverb Sisters is cumming up to the house tonight, sed Ma, I toled them that you wud be glad to see them.

Ha, Ha, sed Pa, & so I will, & so I will, for them I'd climb the highest hill. I think that Sisters loving clubs is jest a lot of old maid dubs. Did you git that Walt Mason stuff I slipped oaver?

sed Pa. Proverb Sisters, welcome to our hoam. Git here early & stay as long as you can, sed Pa. I am the soul of hospitality & I wud rather die than let it be sed that any of yure club wimen friends got treated other than as a lady shud be treated by a gent, sed Pa.

That makes me think of a song I have sang, Pa sed, I wrote it myself. The title is "I Have to be a Lady to be Worshipped by a Gent." I think there is reely a swell chanet for this song to go oaver, because I guess that everybody is gitting tired of them risky ragtime songs & hooping for the day to come wen reel songs will cum back.

Yes, yes, sed Ma, keep on, I have herd you say that a milyun times. I guess Pa wud have sed it a milyun & one times if it hadent been for the Proverb Sisters cumming in. They was all in a bunch, six (6) of them, so they lookt like a cupel of pritty good looking old gurls.

I want you all to meet my husband, sed Ma, & then Ma interduced the six ladies to Pa. The minnit that they had met Pa they sed, all together,

It is not the cowl that makes the friar.

What is the idee? sed Pa. I was up kind of lalt the other nite, & maybe I am a lalt thick.

All we say is proverbs, sed all of the Proverb Sisters at onst. That was a proverb we just sed; It is not the cowl that makes the friar.

Well, sed Pa, I suppos that is a good proverb, but anybody can make one as good as that, like, for instens, It is not the gown that makes the broiler. Don't you see, sed Pa, friars & broilers?

We dident cum to visit yure wife to be made game of, sed the Proverb Sisters.

Friars & broilers isent gain, sed Pa. They are tain chickens. Shoot us another proverb and I will shoot one back. For onst, at least, Pa sed, I have met a bunch of my wife's lady friends so charming that I am entering into the spirit of the occasion. Bring on your proverbs.

Then the Proverb Sisters all sed at onst:

Live not to eat, eat to live.

Then Pa began to look kind of puzzled. You see, gurls, sed Ma, my deer husband is up a stumt now, bekaus you have got him on the subjeck of eating. If you cud think of sum proverb about sunning that wasn't so enuff to eet he mite be one of us, sed Ma. Iacent there something in our list about wine?

Yes, they all sed. Wen wine is in, wit is out.

That's right, sed Pa. Cum on, Bobbie, let's go out, too.
